

## 2016 Preferred Drug List Exclusions

The excluded medications shown below are not covered on the Express Scripts drug list. In most cases, if you fill a prescription for one of these drugs, you will pay the full retail price.

**Take action to avoid paying full price.** If you're currently using one of the excluded medications, please ask your doctor to consider writing you a new prescription for one of the following preferred alternatives.

| Drug Class   | Excluded Medications  | Preferred Alternatives   |
